PROFESSIONAL SUMMARY

Computer Science graduate with a CGPA of 8.44/10, currently pursuing MCA with hands-on knowledge of HTML5, CSS3, JavaScript, Bootstrap, and React. Skilled in developing responsive, user-friendly, and interactive web applications. Experienced in building academic and personal projects with a focus on clean UI, responsive design, and user experience. Familiar with Python, SQL, Git, and GitHub, with a strong willingness to learn modern technologies and grow as a professional developer.

TECHNICAL SKILLS

Programming Languages: C, C++, Python

Frontend Development: HTML5, CSS3, JavaScript, Bootstrap, React, Responsive Design

Databases: MySQL, SQL, PostgreSQL

Tools & Technologies: Git, GitHub

PROJECTS

Movie Recommendation System

Technologies: Python, TF-IDF, HTML, CSS, JavaScript

- Developed a movie recommendation system using Python and TF-IDF-based similarity.
- Implemented movie search functionality to help users find movies easily.
- Analyzed movie information to generate relevant movie recommendations.
- Processed and organized movie data for better recommendation accuracy.
- Designed a simple and user-friendly interface for smooth interaction.

Pedkai Online Services

Technologies: HTML5, CSS3, JavaScript

- Developed a responsive online services website using HTML5, CSS3, and JavaScript.
- Created structured pages to display different online services clearly.
- Implemented JavaScript-based interactive features to improve user experience.
- Designed a responsive layout compatible with desktop and mobile devices.
- Focused on creating a clean, professional, and easy-to-navigate interface.

Personal Portfolio Website

Technologies: HTML5, CSS3, JavaScript

- Designed and developed a responsive portfolio website using HTML5, CSS3, and JavaScript.
- Showcased personal skills, projects, education, and professional information.
- Implemented dark/light mode functionality using JavaScript.
- Added animations and interactive elements for an engaging user experience.
- Added downloadable resume functionality and optimized the website for different screen sizes.
